PC and MP3 player

V54121blk

70-year anniversary edition

- Powerful sound
- Exceptional sound dispersion
- Crisp high end and Impressive bass
- Revolutionary, low-profile design

ALTEC LANSING®

ALTEC LANSING®

THE UPSIDE OF DOWNFIRING? YOU GOT TO HEAR IT.

Turn it on, and it roars. The VS4121blk system gets a lot of its power from a long-throw subwoofer that pushes serious bass reproduction into the room. But the down-firing midrange drivers in each speaker are what really make the difference. "Downfiring" meaning they're angled downward toward the table or whatever surface the system is on. And they use that surface for exceptional sound dispersion. It's no wonder Altec Lansing is now issuing the VS4121 in a matte black, 70th Anniversary edition. Good looks. Incredible sound. Plug it into your PC or MP3 player, and you've got the whole package.

RMS Power
31 WATTS

Peak Power
62 WATTS

VS4121blk

Powerful sound

Experience what great performance is all about!

Exceptional sound dispersion

Our unique, down-firing midrange driver fills the room with rich, accurate sound... you'll enjoy clean mids anywhere in the room.

Crisp high end

Specially engineered Micro Drivers reproduce highs with thrilling clarity.

Impressive bass

Feel shakes and quakes from the front-firing, long-throw subwoofer housed in a solid-wood cabinet.

Revolutionary, low-profile design

Looks great and fits virtually anywhere.

Built-in controls

Easy fingertip control of volume, bass, and treble.

iPod / MP3 Player Jack

Connect your iPod, MP3 player, or CD player at the same time as your computer.

Headphone Jack

For private listening.
