

### Key Features

- Enjoy entertainment on the go with the Sony® DVP-FX930 portable DVD player, featuring a nine-inch (measured diagonally), high-resolution screen (800 x 480 resolution) and widescreen display.
- With up to six hours of battery life, the Sony® DVP-FX930 portable DVD player lets you watch approximately three full-length movies before having to recharge.<sup>1</sup>
- A convenient 180-degree swivel and flip screen allows you to watch your DVDs from almost any angle.
- Easy-to-access touch keys are conveniently located on the frame surrounding the player's screen.
- View photos and movies and listen to music with multiple format playback.<sup>2</sup>
- Share your entertainment with friends and family with two built-in headphone jacks.
- Dual sensors on the player let you operate the remote control from various angles.
- Included car adaptor helps make sure your DVD player is always ready to go no matter how long the road trip.
- With disc resume, you can boot up a DVD where you left off.
- Plug the DVP-FX930 into your TV using the A/V output and it instantly becomes a standard DVD player. All DVD functions are controlled with the included remote.
