

10" Ultra-Mobile Laptop PC

Ideal for Business, Home, and School Use.

The HannsNote 10" laptop PC is ideal for those that are always on-the-go. This ultra-mobile PC fits easily into a backpack, briefcase, or even a handbag since its footprint is smaller than a letter-sized sheet of paper. The HannsNote starts up fast so you can quickly check email, news, blogs, and update your profile on social networking sites when you have access to the Internet. Equipped with the latest technology in mobile personal computing and a long-lasting 6-Cell battery, you will wonder how you have managed to get around without one. The hardest decision is choosing the HannsNote in Pearl Black or Pearl White that best expresses your individuality.
