- HD Movie - H.264 Movie Codec
- Manual Functions
- Lithium Ion Rechargeable Battery
- Colors: Black

All features, specifications, and model numbers subject to change. All on screen images are simulated pictures.

HZ10W Digital Still Camera

CAMERA FEATURES

10 mega-pixel

10x optical zoom

24mm ultra wide angle lens gives you a wider shooting range from a shorter distance.

2.7" TFT LCD display

Dual Image Stabilization. Integrating the best lens shifting mechanisms of Optical Image Stabilization (OIS) with the algorithms of Digital Image Stabilization (DIS) Dual Image Stabilization eliminates the blur caused by camera shake and delivers clear, crisp images every time, even under difficult lighting situation.

H.264 compression format enables more than doubled efficiency compared to the previous format.

720P resolution (30fps)

Advanced Movie Mode TV quality MPEG4 movie mode with sound (30fps)

Stereo microphone

Smart Album allows sorting photos by time, content, color, or theme.

Frame Guide allows easy set up of the composition of the shot so it can be used as a guide.

Perfect Portrait Technology

Face Detection feature detects up to nine different faces. Automatically adjusts focus and brightness, this feature also senses and removes red-eye.

Smile Shot helps you capture more smiles by shooting automatically when your subject laughs and smiles.

Blink Detection prohibits you from taking a picture while the subject has his or her eyes closed.

Self Portrait lets you know when you're in the picture with a beep.

Beauty shot feature automatically identifies imperfections such as blemishes and dark spots on the face, and retouches them so that faces appear brighter and smooth. Different level settings control the amount of retouching that takes place.

Red-eye Fix algorithm automatically eliminates red-eye from your pictures.

White balance modes: Auto, Daylight, Cloudy, Tungsten, Fluorescent_H, Fluorescent_L, Custom

Scene modes: Auto, program, manual, dual IS, beauty shot, night, scene, frame guide, portrait, children, landscape, close up, text, sunset, dawn, backlight, fireworks, beach &

snow, self shot, food, cafe

Photo Style Selector lets you select from a wide variety of advanced photo effects then previews a suite of images to show the results before you shoot.

Multi Slide Show function lets you arrange pictures into a slide show, add music and active slide effects to bring out the emotion in your photos.

Voice recording; 10 hours maximum

Movie recording; 29 minutes maximum
