

GearJuice™ - Mobile Pocket Power (GMP1001W6A)

Recharge your mobile devices with this ultra-slim mobile power pack.

Model # GMP1001W6A

Description

Introducing the new 'GearJuice™ - Mobile Pocket Power' from IOGEAR. This ultra-slim, lightweight battery pack makes it easy to charge your portable devices on the go, eliminating the hassle of finding a power outlet and/or charger. Mobile Pocket Power allows you to charge your cell phone up to 3x before it needs to be re-charged.

With 7 included interchangeable tips (including an iPhone compatible tip), you can charge most any standard portable device on the market. GearJuice™ can charge digital cameras, mobile phones, portable game consoles, and much more, making it the one-stop-shop for all your mobile power needs. To complete the GearJuice™ - Mobile Pocket Power solution, a full range power adapter is included, allowing you to charge your GearJuice™ wherever you go. Whether on the road or traveling, the GearJuice™ keeps your most dependable electronic devices energized.
