Docking Station

Travel Case

## The ultimate portable storage solution for your photos, music, videos, and more

Easily take your photos, music, videos, and documents everywhere with the sleek Seagate® FreeAgent™ Go portable storage solution.

The FreeAgent Go drive offers up to 500 GB of capacity, so you can comfortably store all your files. It includes easy-to-use software that lets you automatically back up your data, synchronize files, and encrypt important files and folders. Plus, it's the world's first portable hard drive with a convenient desktop dock accessory. Simply pop your drive into the FreeAgent dock whenever you want to access your files—no more fumbling for cables!

## Highlights

- Pocket and carry your data with ease thanks to a sleek design—the thinnest portable storage solution on the market. Even the cable folds up compactly.
- Choose from a variety of colors to complement your style and help you differentiate between multiple drives.
- Access your files with unparalleled convenience by simply popping your drive into the FreeAgent desktop dock accessory. You'll never fumble for cables again! Even purchase another dock for convenience at home and at the office.
- Protective travel case included with dock accessory pack
- Take all your photos, music, videos and documents with you everywhere thanks to large storage capacities of 250 GB, 320 GB and 500 GB.
- Easily protect your data with automatic backup software.
- Keep your most important files and folders private with software encryption technology.
- Sync content between your work and home computers so you'll always have your most current versions.
- Experience fast data transfer with a USB 2.0 interface.
- Get started quickly with pre-loaded software. No CDs!
- Save energy by using one small drive for both mobile and desktop needs, and take advantage of an environmentally smart utility that can power down your drive when it's not in use.
- Enjoy peace of mind with a 5-year limited warranty from the world leader in storage solutions.
