DVD-V9800

Combination DVD Player

Player

4 head Hi-Fi VCR

Selectable upconversion to 1080i

Progressive scan output scans individual picture lines in sequence rather than alternately, maximizing the clarity of digital images and bringing new realism to your DVD viewing experience.

Hi-Def conversion DVD/VCR player upconverts the resolution of ordinary DVDs to 720p/1080i high-definition.

HDMI-CEC (Anynet+) A true "plug and play" product, it comes with a Consumer Electronics Control (CEC) feature that lets you operate multiple HDMI products with a single remote control.

14-bit video DAC

DivX playback: Insert DVDs & CDs that have DivX movies downloaded via computer and enjoy watching them on a large-scale TV.

Playable formats: DVD, DVD±R, DVD±RW, CD, CD-R/RW, MP3, WMA, jpeg, DivX, MPEG-4 formats

Warranty

1 year parts and 90 days labor warranty backed by Samsung toll-free support.
