- » HD playback up to 720p/1080i
- » Iomega Protection Suite Software
- » DivX® Certified

Set Your Media Collection Free!

Enjoy watching digital files on your TV without being connected to the computer! The Iomega ScreenPlay Plus HD Media Player is a cost-effective, high definition multimedia player, plus a high capacity digital storage device for your PC. It has high definition playback up to 1080i, is DivX® certified, and has a compact, sleek black style to complement your home entertainment system. The ScreenPlay Plus HD Media Player includes an HDMI connection and is compatible with the latest media formats such as MP3, AC3 (Dolby® Digital Encoding), WAV, WMA, MPEG-1, MPEG-2 (AVI/VOB), MPEG-4, JPEG and more. Plus, software is included to backup your media files and protect your computer from viruses. Available in a 1TB capacity, the ScreenPlay Plus is powered by an Energy Star® qualified adapter for a better environment.

CONVENIENT Enjoy stored movies, photos, and music on your HDTV instead of being confined to a small computer monitor. The ScreenPlay Plus offers easy high definition video viewing and enough capacity to save your entire media library. A convenient USB port is included on the front of the player for easy access to media content on other external USB storage devices when plugged into your HDTV and the device sits horizontally or vertically with included stand.

EASY TO USE Enjoy your high definition media in two easy steps. First, save your media files from your computer to the ScreenPlay Plus HD Media Player. Then, plug your ScreenPlay Plus into an HDTV in your media room and enjoy your videos, photos, and music with family and friends. It's so easy. The simple to use remote offers plenty of options for viewing videos, photos, and listening to music—easily navigate through folders, zoom in on photos, create audio playlists, play slideshows, subtitles, and more.

COST EFFECTIVE With high capacity storage and viewing capabilities, the ScreenPlay Plus is a great value. A 3-year limited warranty is included to protect your investment when you register your product. *Plus*, valuable Iomega Protection Suite software is included with your purchase and available via download. This includes a free six month subscription of McAfee® VirusScan Plus software to protect your PC with anti-virus, anti-spyware, 2-way firewall, and web security protection, Iomega QuikProtect for simple scheduled file-level backup, and EMC® Retrospect® Express or Express HD to back up your data, plus applications and settings. You can also choose MozyHome™ Online Backup for the convenience of backing up online (2GB free!).
