

22" Wide TFT LCD MONITOR

DYLM2284

> FEATURES

TFT Active Matrix Technology

Superior Image Quality, Brilliant Colors and Fast Response

1680 x 1050 Native Resolution

Displays Clear, Detailed Images

High Brightness and Sharp Contrast

300 Nits (Typical) Brightness and 1000:1 Contrast Ratio

Fast 5ms Response Time

Clear Motion Video for Watching Movies, Playing Games, Surfing the Net and More

SOYO LCD monitor incorporates superior TFT (Thin Film Transistor) display technology in a stylish compact design that frees up valuable desk space, with a wide-angle flat screen that offers a view of the screen from various angles without compromising image quality. Featuring high brightness, sharp contrast and vivid colors for hours of comfortable viewing, SOYO's built-in speakers deliver stereo-quality sound.

Designed to provide the ideal display solution for a wide variety of applications at the office, home or school, the WSXGA (Wide Super Extended Graphics Array) technology delivers crisp, vibrant text and images while you are working on spreadsheets and reports, writing emails, preparing presentations, watching movies, playing games, or surfing the Internet.

Available in black, the SOYO LCD monitor is engineered for today's multimedia applications, streaming videos, DVD movies, Internet surfing, games, and more, delivering "SOYO" quality at affordable prices.

22" Wide TFT LCD MONITOR (2284)
