

Key Features

- Experience 5.1 Channel Surround Sound
- Includes wireless rear speaker system
- S-AIR Multi-room capable (AIR-SA10 sold separately)
- Powerful 1000 Watts
- HDMI™ Upscaling to 720p/1080i⁴ of DVD Media
- iPod®⁹ dock with music and video playback
- iPod®⁹ dock with music and video playback

Key Technologies

S-AIR Surround Wireless Easy, faster and convenient way of setting up rear wireless speakers. That means no messy speaker cables to hide under the carpet, and no installation required as set-up is very simple.

HDMI Connectivity One simple cable for both audio and video which allows for an easy setup

Night Mode Special feature to clearly hear dialogue, for example, there are dialogues in movies that are hard to hear or understand like whisper. With Night mode, you can hear even whispered words. It's a convenient feature to have especially at night time; you do not need to reach out for the remote control to replay or up the volume to hear the dialogue

S-AIR Multi-room Enjoy and experience multi-room listening that is expandable up to 10 rooms in the home.

Booster Optimizes audio coming from any Digital Media Port devices

DIGITAL MEDIA PORT Ability to connect and playback iPod⁹, Walkman MP3 Player, PC and Bluetooth-enabled devices through the Digital Media Port

1000 watts Enough power to get the most from the included speakers and subwoofer
